- There were four modules in the project are Admin, Bank admin, Customer, Reports.

Summer Internship:

BirchStreet System Pvt. Ltd	Summer Intern	45 Days

Project: Student Information System.

Key Learning -:

- What is HTML, how it is works?
- What is CSS?
- Use of Bootstrap to create a landing page.
- What is JavaScript?
- About SQL, how to manage data from this?

Technical Proficiency:

- Java, C, C++, Beginner Python, HTML, CSS, MySQL, Oracle, Linux, VSphere, Networking, DevOps.

Certification:

- Certification in **Banking Portal** using Java technologies from SO INFOTECH (P) LTD, Noida.
- Certification in **Java** from **Ducat (Noida)**.
- Certification in **Azure Fundamentals** from **Microsoft.**
- Certification in **Linux Administration** from **Capgemini.**
- Certification in **Network Administration** from **Capgemini.**
- Certification in **Window Administration** from **Capgemini.**
- Certification in **VMware vSphere 6.5/6.7 VCP: Beginner to Advance** from **Udemy.**
- Certification in **Implementing Windows Server 2016 DNS from Pluralsight.**
- Certification in **AWS Fundamentals** from **Coursera.**
- Certification in **Cloud: Executive Briefing** from **Capgemini.**
- Certification in **AI: Executive Briefing** from **Capgemini.**
- Certification in **SQL Server dba** from **Capgemini.**
- Certification in **Oracle dba** from **Capgemini.**
- Certification in **Artificial Intelligence & Machine Learning with Python** from **IBM.**
- E-learning Certification in **Ethical Hacking & Cybersecurity** from **Capgemini.**
- Certification in **Remote Sensing and Digital Image Analysis** from **Indian Institute of Remote Sensing (ISRO).**

Academia:

B.Tech (IT)	HNBGU, Srinagar	2020	Secured 65.5%
12th (Science)	Kendriya Vidyalaya	2015	Secured 72.3%
10th	Kendriya Vidyalaya	2013	Secured 89.5%.

Accreditation:

- Participated in Scout Tritiya Sopan Testing Camp held at Kendriya Vidyalaya from 26th to 29th Sept 2012.
